# Art Lesson Plan

## Objective

Each student will gain a basic understanding of how to render a still life using shapes, lines, gradation and color.

There are 4 classes in the program. Classes will meet on Saturdays from 10-2:30pm. There is a 30 minute break; a light snack will be provided. Classes 2, 3 and 4 include information learned in the previous class. Each student should plan on attending each class.

Lesson 1: Drawing

Would you like to explore the artist in you?

Each student will learn to draw what you see using practical skills to render a still life. You will learn to use shapes and lines to form an

image.

Lesson 2:

Each student will continue to render your still life
